Drew blood, modern doctors cleanse it ; hence the increased demand for Alteratives. It is now well known that most diseases are due, not to over-abundance but to impurity, of the Blood; and it is equally well attested that no blood medicine is so efficacious as Ayer's Sarsaparilla.

"One of my children had a large sore broak out on the leg. We applied simple remedies, for a while, thinking he sore would shortly heat. But it grew rorse. We sought medical advice, and were told that an alterative medicine was necessary. Ayer's Sarsaparilla

Recommended above all others, we used it with mar-velous results. The sore healed and relous results. The sore healed and health and strength rapidly returned."

— J. J. Armstrong, Weimar, Texas. "I find Ayer's Sarsaparilla to be an admirable remedy for the cure of blood diseases. I prescribe it, and it does the work every time." — E. L. Pater, M. D., Manhattan, Kausas.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier." — W. T. McLean, Druggist, Augusta, Ohio. "Ayer's medicines continue to be the standard remedies in spite of all competition."-T. W. Richmond, Bear Lake, Mich.
